

Sewer mains to be replaced, upsized in Hanna Ranch

Come hear about plans for the Legends of Hanna Ranch Ltd. to replace and upsize two public sewer mains that provide service to the city of Fort Worth as well as the city of Everman. The meeting is scheduled for **6 p.m., Monday, Dec. 2**, at Souder Elementary, 201 N. Forest Hill Drive.

Plans include replacing approximately 15,800 linear feet (2.9 miles) of a 50-year-old sewer main to provide for future growth in southeast Fort Worth and the Hanna Ranch development. Hanna Ranch is located southeast of I-35W and Altamesa Boulevard.

The City of Fort Worth is partnering with the developer via a community facility agreement for construction of the project.
