

WASTE CONNECTIONS, INC.  
*Connect with the Future®*

Dear Residents,

The City and Waste Connections will like to take this opportunity and go over a few guidelines when it comes to your Solid Waste/Recycling as well as Bulky Waste and Brush/Heavy Trash services.

Below are some guidelines that will help provide better service for our customers.

**Everman Trash:**

The residents of Everman receive 2X a week trash service pick up on Tuesday and Friday. Residents can use their own personal containers or trash bags not to exceed a 50lb limit. With all we are experiencing with COVID it is also recommended that you bag and tie your trash for the safety of our employees.

**Everman Recycle:**

Cart content only 1X a week cart collection on Friday.

**Acceptable items for Bulky Waste:** Serviced on the 2<sup>nd</sup> trash service day. Items such as: Couches, furniture, bicycles, and similar items that might be found in or around your homes. (2 cubic yard limit per service-per house/unit and a 50lb limit)

**Acceptable Brush/Heavy Trash Waste:** Serviced on the 2<sup>nd</sup> trash service day. Tree, shrub and brush trimmings not exceeding more than (50) pounds in weight, and eighteen inches in diameter. 2 yards limit per (house/unit) per service day. **Two cubic yards is the equivalent to the bed of a pick up truck.** This is what's allowable and what is within the guidelines. Please make sure the piles are **BUNDLED**. Brush will be picked up at the curb if it is cut into 4ft lengths and bundled. Waste Connections will not haul away unbundled brush and limbs.

**NOTE:** All items must be in front of residence or side of residence within 5 feet from roadway/curb, 4 feet away from any stationary object and not under any overhanging objects like tree and/or Power lines. Items must be set on the service day prior to 7am. Any item on vacant lots will not be serviced.

**Not acceptable for disposal:** Concrete, dirt/ mulch, bricks, batteries, cross ties, rock, tire, auto parts. Household hazardous waste, including, but not limited to, pool chlorine and other chemicals, fertilizer, pesticides, paint, animal carcass, oil or other petroleum products and medical sharps or waste. Contractor/Construction waste, remodeling, including, but not limited to, lumber, plywood, drywall, carpeting and other flooring material, tile and roofing material.

**\*ANYTHING OUTSIDE THESE REQUIREMENTS PLEASE CALL THE WASTE CONNECTIONS LOCAL OFFICE FOR A QUOTE (817) 222-2221.**
