Sponsorship Brochure

Impact of Your Sponsorship

Sponsorship of the City of Everman and the Everman Sports Association will directly impact the kids in the league, allowing the purchase of player equipment, balls, game books, bases, umpires, field chalk, field maintenance, all-star and district team tournament fees, just to name a few. The Everman Sports Association does not turn any child away due to their inability to pay for registration fees and sponsorship monies help cover the costs for those children so everyone has the same opportunity.

All proceeds go directly to benefit the youth within the community. This also means that your sponsorship is considered tax deductible.

Economic Impact

Your sponsorship will greatly assist the City of Everman and the Everman Sports Association with providing a successful program in the Everman community. The Everman Sports Association supports the City of Everman and “Shop Everman First” campaigns. Successful events will draw large crowds and families, positively impacting your business and the community of Everman as a whole.
