**RE: TPDES Phase II Stormwater Management Program
General Permit TXR040000**

To Whom It May Concern:

Enclosed herewith, please find two copies of the City of Everman's Stormwater Management Program (SWMP) for review and approval. The SWMP was completed in order to satisfy the requirements of the renewed Texas Pollutant Discharge Elimination System (TPDES) Phase II General Permit (General Permit # 040000), as required by the Texas Commission on Environmental Quality (TCEQ), effective January 24, 2019.

Included within the bound document you will find:

- Notice of Intent (NOI)
- Core Data Form
- Stormwater Management Program (SWMP) Cover Sheet
- Stormwater Management Program
- Original NOI
- Original Core Data Form
- Original SWMP Cover Sheet
- Original SWMP

Currently, the City of Everman is in the process of hiring a new City Manager. Once a new manager is selected, the City of Everman will submit the appropriate forms to reflect that change.

The City of Everman is an active participant in the stormwater quality goals of the region. The Town has endeavored to meet all requirements of the TPDES permitting program and we value and understand the importance of obtaining a TPDES permit. If there are any concerns with the program you may contact me (817)665-7154 or Jeff Reed (817)293-0525.

Sincerely,

tnp
